Someway baby it's part of me, apart from me

And at once I knew I was not magnificent

Strayed above the highway aisle

Jagged vacance, thick with ice

But I could see for miles, miles, miles

Saying nothing, that's enough for me

And I could see for miles, miles, miles

Verse 3 {
(Fno5) Dm
Christmas night, it clutched the light

The hallow bright, above my brother, I and tangled spines

Now to know it in my memory
