

**City And Colour - Harder Than Stone**(Original key: G minor, capo on 3<sup>rd</sup> fret)[Intro]: D Am7 G x2

D Am7 G D Am7 G  
 Someday I will walk away, when time ain't drawing on me like a blade  
 D Am7 G D Am7 G  
 Back turned to the setting sun, leaving behind Toronto's incessant hum  
 D Am7 G D Am7 G  
 Cause I was born and raised, to live beyond  
 D Am7 G D Am7 G  
 The heft and weight, of a world undone

Em D G Em D G  
 But I don't mean to be a bother, I don't need you to take my burden away  
 Em D G C Am  
 And I ain't afraid of dying, cold and alone

[Interlude]: D Am7 G x2

D Am7 G D Am7 G  
 Traipsing through the utter dark, walking underneath the dead moonlight  
 D Am7 G D Am7 G  
 Without any great concern, for what I've missed or how many bridges have burned  
 D Am7 G D Am7 G  
 Like a bird who flies, away from the North  
 D Am7 G D Am7 G  
 My heart will roam, in search of warmth

Em D G Em D G  
 But I don't mean to be a bother, I don't need you to take my burden away  
 Em D G C Am  
 And I ain't afraid of dying, cold and alone

C Am7  
 When my time comes, when I was young  
Em B11  
 I didn't know too much, I thought that I could rule the world  
C Am7 Em B11  
 Then I grew up, and found out life was hard, harder than stone

[Outro]: C Am7 Em B11 x6
