City And Colour - Sleeping Sickness

[Intro]: Em   C G   G5/F# x2

   Em   C   G
I awoke, only to find my lungs empty
     G5/F#   Em   C   G
And through the night, so it seems I'm not breathing
   G5/F#   Em   C   G
And now my dreams are nothing like they were meant to be
         G5/F#   Em   C   G
And I'm breaking down, I think I'm breaking down

   G5/F#   Em   C   G
And I'm afraid to sleep because of what haunts me
G5/F# Em   C   G
Such as living with the uncertainty
G5/F#   Em   C   G   G5/F#
That I'll never find the words to say which would completely explain
Em   C   G   G5/F#
Just how I'm breaking down

[Chorus]
Dadd4/A   Em   C/G
Someone come and, someone come and save my life
     Dadd4/A   Em   C/G
Maybe I'll sleep when I am dead, but now it's like the night is taking sides
  Dadd4/A   Em   C/G
With all the worries that occupy the back of my mind
     Dadd4/A   Em   C/G
Could it be this misery will suffice

[Interlude]: Em   C G   G5/F# x2

      Em   C   G
I've become a simple souvenir of someone's kill
  G5/F#   Em   C   G   G5/F#
And like the sea I'm constantly changing from calm to ill
 Em   C   G   G5/F#   Em
Madness fills my heart and soul as if the great divide could swallow me whole
        C   G   G5/F#
Oh how I'm breaking down

[Chorus] (+oh in my life)

[Solo - part 1]: Dadd4/A Em C/G x4   [Solo - part 2]: Em   C G   G5/F# x2

Dadd4/A   Em   C/G
Someone come and, someone come and save my life *(save my life)*
Dadd4/A   Em   C/G
Someone come and, someone come and save my life *(save my life)*
Dadd4/A   Em   C/G
Someone come and, someone come and save my life
     Dadd4/A   Em   C/G
Could it be this misery will suffice
