

Ed Sheeran - Sing (Easy guitar & ukulele arrangement)

(Original key: G# minor, capo on 4th fret)

[Intro]: Em

Em
It's late in the evening, glass on the side

I've been sat with you, for most of the night

Am
Ignoring everybody here, we wish they would disappear

So maybe we could get down now

Em
I don't wanna know, if you're getting ahead of the program

Am
I want you to be mine lady, and to hold your body close

Take another step into the no-man's land, for the longest time lady

Em
I need you darling, come on set the tone

Am
If you feel you're falling, won't you let me know, oooh, oooh

Em
If you love me come on get involved

Am
Feel it rushing through you from your head to toe, oooh, oooh

Em Am
Sing, ooooooh, ooooooh, louder, ooooooh, sing, ooooooh

Em
This love is a blaze, I saw flames from the side of the stage

And the fire brigade comes in a couple of days

Until then we got nothing to say, and nothing to know

But something to drink and maybe something to smoke

Am
Let it go until I roll with the chain, singing we found love in a local rave

No, I don't really know what I'm supposed to say

But I can just figure it out, and hope and pray

Em
I told her my name and said it's nice to meet ya

Then she handed me a bottle of water filled with tequila

I already know she's a keeper, just from this once small act of kindness

Am
I'm in deep if anybody finds out, I'm meant to drive home but I took all of it now I'm not sobering up

We just sit on the couch one thing led to another now she's kissing my mouth

Em
I need you darling, come on set the tone

Am
If you feel you're falling, won't you let me know, oooh, oooh

Em
If you love me come on get involved

Am
Feel it rushing through you from your head to toe, oooh, oooh

Em
Sing, ooooooh, ooooooh

Am
Louder, ooooooh, sing, ooooooh

Em
Can you feel it, all the guys in here don't even wanna dance

Am
Can you feel it, all that I can hear is music from the back

Am
Can you feel it, found you hot in here so hope you'll take my hand darling

Em
Before the beat kicks in again

Em
Can you feel it, ooh wop oh

Am
Can you feel it, ooh no no ooooooh

Em
(Sing) I need you darling, come on set the tone

Am
If you feel you're falling, won't you let me know, oooh (*louder*), oooh

Em
(Sing) If you love me come on get involved

Am
Feel it rushing through you from your head to toe, oooh (*louder*), oooh

Sing
