

Tori Kelly - Unbreakable Smile

[Intro]: A#m7 G#m7 x2

A#m7 G#m7
La da da da de, you're not breaking me
A#m7 G#m7
La de da da da, da da da da, yeah

A#m7 G#m7
Somebody told me fame is a disease, you start singing the blues when you start seeing the green
A#m7 G#m7
But I think it's all about what you choose, the way you live your life depends on you
A#m7 G#m7
That's when I realized I wanna make a difference, change other people's lives, give hope, even
for a moment
A#m7 G#m7
Use my name for good and change the game I could
A#m7 G#m7
Because to make it you think I gotta act a certain way, be a little bit insane, live a little, it's okay
A#m7 G#m7
I guess we have different definitions of living, but you'll twist my words anyway
A#m7 G#m7
You'll say that I'm naïve like I don't have a past, you're the one being deceived I see right behind
the mask
A#m7 G#m7
Tryna to stir me up and get me mad, (*I smile because*) happiness is all I have, so

A#m7 G#m7
La da da da de, you're not breaking me
A#m7 G#m7
La de da da da, ain't got time for ya, singing
A#m7 G#m7
La da da da de, you won't shatter me
A#m7 G#m7
La de da da da, got an unbreakable smile

A#m7 G#m7 A#m7
You'll see me hanging with my fam, but that don't mean I'm living in a bubble
G#m7
You'll find me at church, but that don't mean I can't cause trouble
A#m7
Stir up a little scene cause isn't that what you want
G#m7 A#m7
For me to mess up, so you can dress up some story, saying Tori this'll sell more records
G#m7 A#m7
But I'd rather make 'em yawn than be a pawn on your chessboard
G#m7
So call me boring, call me cookie cutter, call me what you want

A matter of fact, just say it loud and don't st-stutter

A#m7 G#m7
Cause I know who I am, yeah I'm still the same, just a California girl with big dreams, thinking
A#m7
Maybe they'll let me sing songs about real things
G#m7 A#m7
And baby who knows maybe I can sell out shows without taking off my clothes
G#m7
God made me sexy, I don't care if only I know, ooh

A#m7 G#m7
La da da da de, you're not breaking me
A#m7 G#m7
La de da da da, ain't got time for ya, singing
A#m7 G#m7
La da da da de, you won't shatter me
A#m7 G#m7
La de da da da, got an unbreakable smile, so

[Interlude]: A#m7 G#m7 x4 (oooh oooh, oooh oooh, oh, and I'll just keep on singing)

A#m7 G#m7
La da da da de, you're not breaking me
A#m7 G#m7
La de da da da, ain't got time for ya, singing
A#m7 G#m7
La da da da de, you won't shatter me
A#m7 G#m7
La de da da da, got an unbreakable smile, yea

[Outro]: A#m7 G#m7 x6
(yeah, oh, I might be smiling yes, oh, but don't mistake kindness from weakness, ooh..)
